Explore the islands of the Hauraki Gulf and Bay of Islands - join the crew for a 3 or 5 night voyage through the pristine waters of Northland's east coast. Take part in sailing an authentic tallship to a new island anchorage each night and explore ashore at these spectacular destinations. A unique way to link Auckland's famous aquatic playground and the distinctive heritage and eco diversity of Russell and The Bay.

The North Island coast combines spectacularly beautiful scenery with ideal sailing conditions and climate. The pristine waters that Captain James Cook first charted 240 years ago can be explored today aboard this magnificently restored square rigger.

The Hauraki Gulf is a protected Marine Park and whales and dolphins abound in its waters. On these coastal adventures we will visit its isolated islands, hike ashore and see unique New Zealand birdlife.

## *SOUTH PACIFIC VOYAGES 2009*

### *Pearls of the Pacific*

### *Tallship Voyages across the South Seas*

The South Pacific with its enchanting islands, warm hospitable people, colourful history, rich and ancient customs does stir the mind and excite the imagination. Our voyages take us to the authentic Pacific as the ship sails to islands still untouched by modern tourism. Sail with us retracing the track of 18th Century navigators Cook, Wallis, Bougainville through the heart of Polynesia and Melanesia.

We seek out the hidden Pacific - the remoter places of this vast ocean that we have discovered during Soren Larsen's years sailing before the tradewinds.

A true ocean passage takes us from Auckland to Rarotonga in the Cook Islands. From there we sail north and west on a series of voyages across the best of Polynesia, to the remote northern Cooks, Robert Louis Stevenson's Samoa and colourful Fiji.

We explore the wild untouched beauty and undisturbed culture of the islands of Vanuatu, and the classical South Sea beauty of New Caledonia.

An authentic square rig passage to Sydney Harbour or a trans Tasman voyage home to New Zealand is blue water adventure at its best.
