Explore the islands of the Hauraki Gulf and Bay of Islands - join the crew for a 3 or 5 night voyage through the pristine waters of Northland's east coast. Take part in sailing an authentic tallship to a new island anchorage each night and explore ashore at these spectacular destinations. A unique way to link Auckland's famous aquatic playground and the distinctive heritage and eco diversity of Russell and The Bay of Islands.

The pristine waters of the North Island coast that Captain James Cook first charted 241 years ago can be explored today aboard this magnificently restored square rigger.

The Hauraki Gulf is a protected Marine Park and whales and dolphins abound in its waters. On these coastal adventures we will visit its isolated islands, hike ashore and see unique local birdlife.

The South Pacific with its enchanting islands, warm hospitable people, colourful history, rich and ancient customs does stir the mind and excite the imagination. Our voyages take us to the authentic Pacific as the ship sails to islands still untouched by modern tourism. Sail with us retracing the track of 18th Century navigators Cook, Wallis, Bougainville through the heart of Polynesia and Melanesia.

From May 2010 Tallship Soren Larsen will undertake a series of voyages to the very best of the tropical South Seas.

A true ocean passage takes us from Auckland to the island nation of Tonga via the volcanic Kermadec islands. In the islands of Haapa'i and the whale breeding grounds of Vava'u we find South Pacific tropical cruising at its most idyllic.

From there we sail westwards with the trade winds on a series of voyages across the best of Polynesia and Melanesia, from Tonga to the outer islands of colourful Fiji.

We explore the wild untouched beauty and undisturbed culture of the islands of Vanuatu, sailing as far north as the rarely visited islands of the Banks and Torres group. We see the classical South Sea beauty of New Caledonia.

An authentic square rig passage to Sydney Harbour or a trans Tasman voyage home to New Zealand is a blue water sailing adventure at its best.
